

10-METER BASIC WEATHER STATION

Ten meter Basic Weather Station parts list

#	Part #	Qty	Description
1	102083-G0-H0	1ea	WM-III wind speed & direction sensor. Specify G1-H1 for heavy-duty cup and vane
2	100609-40	1ea	Wind cable assembly, 40-feet
3	102090	1ea	Temperature sensor w/connector
4	102087-15	1ea	Temperature sensor cable assembly, 15-feet
5	102445	1ea	Humidity sensor w/connector
6	102088-15	1ea	Humidity sensor cable assembly, 15-feet
7	102080	1ea	Naturally aspirated shield, temp/RH
8	102270-G3	1ea	Barometric pressure sensor
9	101779-G2	1ea	Environmental enclosure, 16" x 14" x 6"
10	102278	1ea	Universal Interface Module (UIM), RS-232C output
11	101139-G0	1ea	Power supply w/battery back-up
12	101423-G0	1ea	Enclosure mounting bracket
13	C33HD-G0-H0	1ea	Tower, heavy-duty, 10-meter w/ground mount base. Substitute G1 for roof mount or G2 for drive-in mount and add P/N 101004 guy kit
14	100924-G2-45	1ea	Full height grounding kit
15	ENGR.CHARGE	Lot	System integration, programming & documentation
16	MANUAL-N/C	Set	System manual

Ten meter Basic Weather Station OPTIONS

17	101234	Set	Wind sensor heater, thermostatically controlled
18	101255-40	1ea	Wind sensor heater cable assembly, 40-feet
19	102278G0	1ea	Analog output option for UIM
20	102278G2	1ea	RS-422/485 output option for UIM
21	Q501-2B04	3ea	Isolated 4-20mA output option for UIM
22	SRM-5A/F	2ea	Short-haul modems
23	CSC932	1ea	DCE interface (required for option # 22)
24	102455	1ea	WeatherView display & recording software for PC
25	101779-G3	1ea	Environmental enclosure, 18" x 16" x 8" (replaces #9)
26	102467-G0-H0	1ea	IMP-890 Data logger (replaces #10, UIM)
27	CPC208W	1ea	Data logger support software (required with option #26)
28	CCR10KD	1ea	Data logger keyboard & display device
29	CCOM100	1ea	Phone modem (requires option #25)
30	CCOM200	1ea	Cellular phone modem (requires option #25 + antenna & cable)
31	CCOM300	1ea	Voice synthesized phone modem (requires option #25)
32	100800-G1*	1ea	Solar panel, 10 W (replaces item #11)
33	PS1282L*	1ea	Battery, 8AH (required with option #32)
34	102343	1ea	Spread-spectrum radio (requires option #25 + antenna & cable)
35	101004-G3	1ea	Guy kit

*This option **CANNOT** be used with option #17. Consult Climatronics for the proper size of these items when used with any optional communications devices.
