Parts & Service Description

REPAIR AND FIELD MAINTENANCE

A complete repair and service department is maintained at our factory in Bohemia New York. Our factory trained technicians provide professional service using only OEM specified parts and certified alignment equipment.

For those who wish to perform their own maintenance, a comprehensive list of maintenance parts follows the repair menu. Our manuals provide complete maintenance instructions.

RETURN AUTHORIZATION

Prior to any product return, please contact the factory at (631)-567-7300 or e-mail service@Climatronics.com for a return authorization number (RA).
